**MP 048** 

## **Characteristics:**

Known for the ease of installation, Gyproc® Metlance™ Linear R ceiling systems offer a rounded, linear appearance to the space. They reflect precision in design and augment the acoustic performance of the room. The slender rounded panels have a crucial benefit of offering an accurate sense of directional control and can go with any design style.

## Application:

Restrooms, Balcony, Roof Deck, etc.

## **Physical Properties:**
