

Characteristics :

Known for the ease of installation, Gyproc[®] Metlance[™] Linear R ceiling systems offer a rounded, linear appearance to the space. They reflect precision in design and augment the acoustic performance of the room. The slender rounded panels have a crucial benefit of offering an accurate sense of directional control and can go with any design style.

Application :

Restrooms, Balcony, Roof Deck, etc.

Physical Properties :

- Thickness (mm) Length (mm) Width (mm) Height (mm) Material Finish Colour
