

Gyproc® RIGIROC

Multipurpose Gypsum Board for all Spaces

MULTIPURPOSE BOARD FOR EVERY PROJECT

Rigiroc board is a multipurpose gypsum board for superior strength, loading, acoustics & resistance to moisture. With a direct loading capacity of up to 15 kg on a single woodscrew, they are the ideal way to adapt living spaces to current and future needs, suitable to use in wet as well as dry areas.

13 mm Gyproc® Rigiroc plasterboard features a high-strength engineered core which provides enhanced levels of strength, durability, and fixability.

KEY BENEFITS

Upto 15 kg loading capacity
(Direct loading using no.10 woodscrew)

Moisture Resistant
(Type H1, <5% total water absorption)

Higher impact resistance

Fire resistance
(up to 60 minutes with a single layer)

Superior Acoustics

100% Recyclable

APPLICATIONS

Healthcare

Education

Retail

Hospitality

Commercial

Residential
